6.2 The project budget approved by the Monitoring Committee shall determine the sum total of eligible expenditure, as well as its breakdown into the various items of expenditure.

6.3 The Lead Partner must ensure the correctness of the accounting and financial reports and documents drawn up by the Project Partners. The Lead Partner may request further information, documentation and evidence from the Project Partners to that effect.

6.4 Every Project Partner shall be held responsible for its budget up to the amount as to which it participates in the operation and pledges to release its part of the co-funding.

6.5 Every Project Partner commits to keeping separate accounts solely used for the project or at least a project code to identify cost linked to the project. The official currency of the programme is € and all payment of ERDF will be made in euro.

6.6 All partners, including the Lead Partner, are obliged to have their accounting certified by a first level controller independent of the project's activities. The signed certificates and statements of expenditure shall be submitted by the Project Partners to the Lead Partner, in accordance with the schedule and requirements stipulated by the Lead Partner. If required by the Lead Partner, these documents shall include copies of all pieces of evidence (invoices, documents related to tender, bank statements, etc.).

6.7 The Lead Partner is responsible for sending to the Managing Authority/URBACT Secretariat the project's certificates of expenditure and the payment claim in accordance with the timing and procedures described in the Programme manual. The Lead Partner is also responsible for receiving the ERDF payment by the Certifying Authority and for refunding in a due time the Project Partners on the basis of their certified expenditure.

6.8 In default of evidence or in the event of non-fulfilment of the rules concerning eligibility of expenditure, the Lead Partner shall ask the Project Partners to redraft the submitted financial documents. The debarred partner is obliged to refund to the Lead Partner any Programme funds received which they cannot prove on the day of debarring that they used for the implementation of the project according to the definition of eligible expenses stated in the Programme rules.

6.13 In cases where the non-fulfilment of a partner's obligations has financial consequences for the funding of the project as a whole, the Lead Partner may demand compensation to cover the sum involved.

6.14 Should the Managing Authority be forced to reduce or discontinue the grant and should this entail full or partial refunding of the URBACT III Operational Programme funds

already transferred, every Project Partner is obliged to refund the funds (by way of the Lead Partner) according to the final financial settlement.

6.15 In order to avoid that in the situation described under Article 6.14 only the Lead Partner has to bring the financial consequences of the budget reduction, the final financial settlement, drawn up on the basis of the final expenditure certificate approved or denied by Managing Authority, shall show, both for the overall project as well as for every partner, the status of the eligible expenses approved by the Monitoring Committee. This determines the amount every partner and the Lead Partner must refund should the Managing Authority claim such funds from the project (by way of the Lead Partner).

§ 7 Financial management system

7.1 The Tech Revolution 2.0 Project will adopt a de-centralised financial management system, where all partners keep, spend and certify their own costs.

8.3 Any major changes related to partnership (e.g. drop out or replacement of partners, etc.), to activities (e.g. extension of duration, change on the work programme, etc.) and to budget should as much as possible be avoided. However, when duly justified, these changes may be approved by the Monitoring Committee through a reprogramming procedure as described in the Programme manual.

8.4 As a basic rule, Lead Partner should inform the URBACT Secretariat as soon as they are aware of a possible major change in their project.

8.5 Before applying for a financial reallocation from one budget line to another, a change in the work programme, or any other major change in the framework of a reprogramming procedure, the Lead Partner shall obtain the approval of its Project Partners.

8.6 Any request for amendments to the project presented by the Lead Partner to the Monitoring Committee shall be authorised by the Project Partners beforehand.

9.4 The Lead Partner shall keep the Project Partners informed on a regular basis about all relevant communication between the Lead Partner and the Managing Authority/URBACT Secretariat, the Monitoring Committee and the Certifying Authority.

9.5 The reporting procedure shall be done according to the information provided in the Programme manual.

9.6 The reporting periods and deadlines for submission of the reports are the following:

- 1st reporting period: 14 June 2021 – 31 December 2021 (Deadline for submission 31 March 2022)
- 2nd reporting period: 1 January 2022 – 31 December 2022 (Deadline for submission 31 March 2023).

§ 10 Verification and Record Keeping

11.1 The Managing Authority and URBACT Secretariat have identified the most likely areas for fraud in the URBACT III Programme and projects, and have set up robust control systems, measures and procedures in order to follow up on all suspected cases that may be highlighted.

Through the Programme anti-fraud policy, the intention is to:

- promote a culture which deters fraudulent activity;
- facilitate the prevention and detection of fraud;
- develop procedures which will aid in the investigation of fraud and related offences and which will ensure that such cases are dealt in a timely and appropriate manner.

The Managing Authority and URBACT Secretariat therefore encourage all partners, contractors, employees and the public to do their utmost to prevent fraud from happening, to put into place proportionate measures to detect it and to come forward with any suspicion of fraud in relation to the Programme.

11.2 Either suspected or established, the URBACT III Programme has developed a strong whistleblowing procedure to report any fraud anyone may have witnessed should it be one partner, any involved expert or even one of the Programme authorities. If so, all details are to be provided to the following anonymised email address: alert@urbact.eu so that all proportionate measures will be implemented starting with a thorough investigation of the fraud, and if applicable, apply all timely and appropriate measures as described in the Programme's procedures.

11.3 Cases of suspected or established fraud may also be detected and reported to the Managing Authority/URBACT Secretariat by the first level controllers. The controllers are requested to report any fraud cases (section 2 of the First Level Control certificate) to the Managing Authority/URBACT Secretariat through a specific Programme report template. The template of this report on suspected or established fraud is made available to the first level controllers by the URBACT Secretariat.

This information can only be used by the partners according to the provisions of this agreement.

15.3 The Project Partners commit to taking measures so that all staff members carrying out the work respect the confidential nature of this information, and do not disseminate it, pass it on to third parties or use it without prior written consent of the Lead Partner and the partner institution that provided the information.

15.4 The Project Partners commit to taking the same measures to maintain the confidential nature of the information, as they would do should it concern their own confidential information.

20.1 According to the present contract, the "force majeure" represents any unpredictable and insurmountable event, occurred after the signing of the present contract and that prevents the total or the partial execution of the contract.

20.2 There are specific cases of "force majeure": wars, natural calamities, general strikes, insurrections, revolts, epidemics, earthquakes, floods and other similar events.

20.3 The “force majeure” exonerates the parties of the responsibility for not executing partially or totally the obligations stipulated in the present contract during the period they appear and only if the events were properly notified.

20.4 It is not considered to be “force majeure” an event similar to those presented above, that, without creating an impossibility of execution, makes the execution of the obligations very expensive for one of the parties.

§ 21 Nullity

21.1 Should one of the provisions of this agreement be declared null or void in the national law of one of the parties or the law governing this agreement, this shall not render the remaining provisions null and void.

21.2 The fact that one of the parties should not demand application of one of the provisions of the agreement does not imply that this party waives such provision.

§ 22 Lapse of time

Legal proceedings concerning any issue ensuing from this agreement may not be lodged before the courts more than three years after the facts. In the event of legal proceedings concerning a claim to refund funds, a period of three years following the last transfer shall be applied.

§ 23 Translation languages

This agreement and its annexes shall be provided in English. In case of translation of this document into another language, the English version shall be the binding one.

Any change of domicile shall be forwarded to the Lead Partner within 15 days following the change of address by registered mail.
