

### Delegate Brief

We're looking forward to welcoming you to Barnsley for the Tech Rev 2.0 kick off event next week. I have included some information below, if you have any further questions just let me know!

### Covid information:

Travelling to the UK, even when fully vaccinated, you are required to do a covid test in the 3 days prior to travel. Please check your government and airline website for approved suppliers and book these yourselves.

You will then be required to do a day 2 test whilst in Barnsley. We have ordered these for you and below is the code you will require for your passenger locator form. The test type is a RANDOX. We will provide these on Tuesday morning when you arrive at the DMC.

If you have any problems with the codes, let us know ASAP.

### Event Information

**Date:** Tuesday 14th September - Thursday 16th September

**Venue:** Digital Media Centre, County Way, Barnsley, S70 2EQ

**Room:** The event space is located on the ground floor and the reception team will be able to direct you.

**Hotel Details:** Premier Inn, Gateway Plaza, Sackville Street, Barnsley, S70 2RD.

**Map:** [Click here](#) to view on the map.

### Estimate travel costs:

Heathrow - Barnsley: Approx £100 return journey per person

Manchester - Barnsley: Approx £35 return journey per person

Doncaster - Barnsley: Approx £11 return journey per person

Barnsley - Leeds: Approx £10 one way journey per person

**Monday Evening Dinner suggestions:** You can find some local restaurant suggestions here -

<https://www.premierinn.com/gb/en/things-to-do/barnsley/places-to-eat.html>

Alternatively you can order food for delivery via the [deliveroo](#) or [Just eat](#) apps.

**Dress code:** Smart/casual throughout. On the first evening we're going on a walking tour of Barnsley, so we would suggest wearing comfortable footwear.

**Agenda:** The full agenda is attached. *Please remember to send a copy of your 'Meet the partner' slides no later than Monday 13th.*

**Library tour:** We will be offering an optional tour of the Library on Thursday after lunch. The Library @ the Lightbox is not just books, there is also a maker space lab, and a focus on their science, technology, engineering, arts and maths (STEAM) activities. There's access to technology and programmes such as coding clubs, so people can develop their digital skills and creativity by working together on projects, sharing knowledge and resources, and finding out the exciting things they can build.

I will be setting up a whatsapp group on Monday for any questions you may have whilst travelling or during the trip. If you need to contact Tracey directly, please call 07956 699 648.

Thanks!

Laura
